

THE EVOLUTION OF A REVOLUTION

Made in
Germany

THE ROV-HOOK:
TWIN TRIGGER MECHANISM.
ULTIMATE SAFETY.

MAXIMISE COST EFFICIENCY IN MARINE AND OFFSHORE LIFTING CHALLENGES.

The RUD ROV-HOOK offers efficient lifting solutions for demanding marine and offshore applications. Its innovative safety mechanism makes it impossible to accidentally open the hook. Also, a higher 25t WLL gives you more options to use in new applications.

- ✓ 100% crack-tested
- ✓ From 10t up to 25t WLL
- ✓ Developed for the market by the market
- ✓ No shedding of loads
- ✓ No snagging
- ✓ Safety factor 4:1 (WLL)
- ✓ Innovative mechanism
- ✓ Repairable
- ✓ Twin trigger mechanism:

The hook only opens when both locking mechanisms are pressed simultaneously.

Ultimate safety: Accidental opening of the hook and loss of load are impossible.

Up to 25t WLL

Up to 10t WLL

THE BENEFITS:

- ✓ The RUD ROV-HOOK eliminates the risk of snagging and accidental rigging.
- ✓ The outer profile is smooth with no protruding hook nose.
- ✓ Outwards opening safety latch.
- ✓ The safety latch intermeshes with the hook nose.
- ✓ The safety latch automatically closes when the ROV releases the triggers.
- ✓ The safety latch is securely locked in closed position.
- ✓ The hook can be operated by all standard ROV manipulators, including the grabber.
- ✓ The hook safety latch opening and closing can be operated by a single ROV manipulator.
- ✓ The hook can be approached at inclined angles up to 30° from the ideal gripping position perpendicular to the flat side of the hook.
- ✓ The hook design minimises the time for the ROV to carry out the attachment/detachment operation.

MAKING SAFETY EFFICIENT:

RUD BLUE-ID SYSTEM

Transponder, hardware, software: Identify safety related equipment easily and efficiently during inspections. Document test data in seconds. Save effort, personnel and costs. Good to know: RFID transponders are included as standard in most RUD products.

OUR DNV-APPROVED PRODUCTS AT A GLANCE.

Economical, reliable and safe: RUD is your DNV-qualified partner for marine and offshore applications with a comprehensive range of sling and lashing solutions.

AT YOUR SIDE.

WHEN THE GOING GETS
TOUGH IN MARINE AND
OFFSHORE APPLICATIONS.
